District of the City of New York, Port of New York.

I, Edward J. Smith R.R. Master of the R. M. J. Britannia do solemnly, sincerely and truly swear that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Queensdown by Liverpool from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the last residence and country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Hon. Francis Hendricks,

Collector of the Port,

New York City.

Dear Sir:

Some two weeks ago we informed the Treasury Department that S. S. SPREE had sailed from Southampton on November 23rd with 355 cabin and 153 steerage passengers, the latter being United States citizens, residents, and families of citizens and residents, and requested the Treasury Department to admit the SPREE to entry upon arrival.

S. S. SPREE having been towed into Queenstown disabled, the passengers of this steamer were transferred to S. S. HAVEL, which sailed from Queenstown Thursday last, 8th inst., and is due here on Thursday next, 15th inst.

We would ask you to admit the HAVEL to entry upon arrival here, and are, dear Sir,

Yours very respectfully,

Pelrichs & Co.

District of the City of New York, Port of New York.

I, Robert Noel Master of the British Steamer "Barnard" do solemnly, sincerely and truly declare that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Liverpool from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the last residence and country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Sworn to this Dec. 16 1892 before me James Dunn List or Manifest of ALL THE PASSENGERS taken on board the British Steamer "Barnard" whereof is Master, from Liverpool burthen 3149 tons.

WEEKLY MAIL-SERVICE NEW-YORK — ROTTERDAM
AMSTERDAM

General Agency: 25 South-Williamstreet.

New-York, December 8th 1892.

To the Hon. Collector of the Port of New York
Present

Sir

I beg to inform you that our Steamship
Edam which sailed from Rotterdam on November 30th
for New York via Boulogne S/M, has on board the following
steerage passengers:

4 Citizens of the United States
363 Residents and Tourists
65 Members of families of Citizens and Residents
Total 432 Steerage passengers.

I beg to remark that most, if not all of these
passengers were assembled at Boulogne S/M for the Steamship
Maasdam, which steamer was prevented by stress of weather, to
call at Boulogne S/M. In consequence thereof the Company had
to send S S Edam specially to Boulogne S/M to take these passengers.

I respectfully beg of you to grant permission to
land these passengers on arrival here, after they have been passed
by the local Health authorities, as there are no immigrants amongst
them.

Very respectfully yours

New York — December 17th 1888 —

Hon. Francis Hendricks,
Collector of the Port,
New York City.

Dear Sir:-

We are informed that S.S. ELFE has been ordered to anchor in the Upper Bay, as she is alleged to have on board steerage passengers enumerated in her passenger list as cabin passengers.

We beg leave to inform you that S. S. ELFE carries:

85 First Cabin passengers, and

405 Second Cabin passengers, the latter booked at the

Second Cabin rates of \$40 and \$30 respectively, and that no passengers have been booked upon this steamer for less than the lowest Second Cabin rate of \$40 an adult, children under twelve years of age half price, to which fact we are willing to make affidavit before you in any form that you may prescribe. The Purser of S. S. ELFE, through an inadvertence, has entered a number of Second Cabin passengers as "Forward Cabin passengers", which, however, does not alter the fact that these passengers were all booked at Second Cabin rates.

We would ask you to kindly admit S.S. ELFE to entry, and are, dear Sir,

Yours very respectfully,

Ulrichs & Co.

HON. FRANCIS HENDRICKS,
 Collector of the Port,
 NEW YORK.

Sir:

I, John E. Cameron Master of the R.M.S. Teutonic do solemnly, sincerely and truly declare that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Liverpool from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the last residence and country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. *So help me God.*

New Francis Hendricks
Collector of the Port
Sir:-

The S S Vega will arrive
here about Dec 23rd with cabin
and steerage passengers from
the Azore Islands only.

As these passengers were
booked previous to Sept 1, 1892
and as the steamer was delayed
by reason of callousness in August
on her way from Lisbon to the
Azores during her trip to New
York, and was compelled to return
to Lisbon in distress; We would
respectfully ask you to allow the
immediate landing of all passengers
on arrival of the said vessel at this
port, providing she is duly passed by health officer.

Yours very truly

New York, Dec 24 1892

Hon Francis O'Meara
Collector of the Port

Sir,-

We have on board S. S Vega due to
~~arrive~~ 250, more or less, stowage and cabin
passengers from the Azores Islands only.

These passengers were all booked
previous to Sept 1, 1891 and vessel has
been delayed by reason of call upon on
her way from Lisbon to the Azores.

We have cabled to Lisbon to try
to find out the exact number of passengers
on board but are unable to find out
anything in regard to it, and as there are
no cable communications between the
Azores and the main land it is
impossible to get any definite information.

We would therefore ask you to allow
the immediate landing of all passengers
that may be on board the said S. S.
